## IU Jumper Ring & Cable Management Panels

IU Horizontal cable management panels, universal

1U Jumper Ring Panel GA1-083-312  
1U 50mm Management Arm Panel GA1-087-312  
1U 100mm Management Arm Panel GA1-085-312

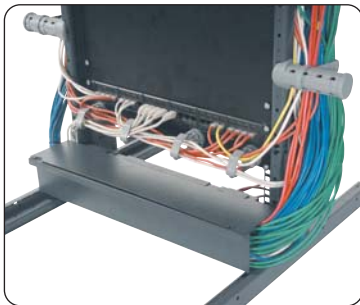

# Dataracks 707 Equipment Frames

- ★ Two widths 600mm and 800mm (extra cabling space)
- ★ Fully adjustable standard 19" mounting angles allow housing of passive and active equipment
- ★ Unique cable management arms reduce cable bend radius as required by cabling best practice
- ★ Weight loading 300kg (evenly distributed)
- ★ Flat pack option available

## Optional Extras

- ★ Cable duct top and bottom for cable management and patch cords from side to side
- ★ Brackets to fix standard cable and basket tray horizontally and/or vertically
- ★ High density vertical cable ducts

## Dataracks 707 Patching & Equipment Frames - 600mm Wide (standard build: 1 x pair cross members, 1 x pair uprights and 19" mounting angles and 1 x top cable duct)
